## LET US PRAY THIS CHRISTMAS DAY

For the blessing of family and friends, and all Thy gifts of love, we are very thankful, dear Heavenly Father. By Thy pervading Holy Spirit we know that Thou art here. Help us to stretch out our hearts and hands to all who are needy and suffering, whether we find them in our own communities or across the world.

Cover with the armor of Thy righteousness our President and the Leaders of peoples in all countries. Help them and every one of us to feel the urgency of building Thy Kingdom in this world, the urgency of doing the will of Thy dear Son, our Teacher.

Be Thou now and always the guide and inspiration of the nations of the world. AMEN.
