4 JUN 1971

**From: Commander U. S. Naval Forces, Vietnam and Chief, U. S. Naval Advisory Group,
Military Assistance Command, Vietnam**

To: U. S. Navy Communications Security Component (COMSEC 706), Republic of Vietnam

Subj: Letter of Commendation

- 1. During the period 1 August 1970 to 15 May 1971, officer and enlisted personnel assigned to the U. S. Naval Communications Security Department, Naval Communications Station, Cam Ranh Bay, Republic of Vietnam and the Communications Security Component on the Staff of Commander U. S. Naval Forces, Vietnam, conducted vigorous and productive communication security operation while materially enhancing the scope and quality of communications training for members of the Vietnamese Navy.**
- 2. Personnel of the U. S. Naval Communications Security Component (COMSEC 706) formulated and taught a Communications Security Course as part of the Vietnamese Naval Officers Communications School, and instructed Vietnamese Navy Communications Security personnel in field briefings and during combined operations with Vietnamese Communications Security teams.**
- 3. I am pleased to commend the support, cooperation, professionalism and devotion to duty exemplified by all personnel of the U. S. Navy Communication Component (COMSEC 706) in making these significant contributions to the intensive communications training program in support of the developing Vietnamese Navy.**
- 4. Well done!**
